

Arizona Legislature's 3S Formula to Make the Education of YOUR Child, **YOUR** Problem

1. **STARVE** Public Education

Percent change in spending per student, inflation-adjusted. FY08 to FY13

-\$858M

-\$500M

Prop 301 Inflation Monies
Owed by State to Districts

Unfunded Mandates

- ◆ "Common Core"
- ◆ Test still undetermined

-\$396M

-\$1.75B

2. **SPIN** Choice as The Solution

Private School
Tax Credits =
\$1,053 per
taxpayer

but...

Public School
Tax Credits =
\$200 per
taxpayer

Parents shouldn't have
to choose. Their
community school
should be a good one!

On-Line Ed

Public
Education

For-Profit
Charters

3. **Stress** Students, Teachers & Schools

Teachers need to be trusted!

Performance
Based
Funding

**MORE Teaching,
Less Testing!**

**ENOUGH
IS
ENOUGH
ALREADY**

Failing schools
need help, not
more challenges!

Stop the Madness
